YOUR INDEPENDENCE**

**FIGHTING FOR YOU**

## **SAFETY**

- Fighting against discrimination and protecting you against aggression
- Limiting the number of passengers at night: maximum 3 and no passenger riding in front for + safety
- Requesting from platforms a video-recording system that can be activated if needed

## **INCOME**

- Continuing to renegotiate all the signed agreements regularly, including the regulations and additional services (range definition)
- Obtaining from the platforms a contribution towards energy transition for your vehicles

## **TRANSPARENCY**

- CFTEC Transports requests full transparency on the algorithms
- Necessary transparency and concertation on the platforms' marketing investment to generate demand

## **SOCIAL PROTECTION / TRAINING**

- Minimal rights in the event of inactivity or occupational accident/disease

## **FEMALE DRIVERS**

- Possibility of choosing the rides
- Systematic vehicle equipment (dashcam) for your safety

## **FAMILY**

- Contribution of the platforms to childcare
- Creation of company day care centers with flexible hours, to adapt to work schedules
